This issue is before the Commission by letter received July 3, 2006 from Carlie Bowmer, 8158 East DelCuarzo Drive, Scottsdale, Arizona 85258, requesting full intervention in the administrative proceeding herein. Mr. Bowmer was the original real estate developer of the subdivision within which the cellular telecommunications tower is proposed to be constructed. Although not in the real estate business currently, Mr. Bowmer continues to own six lots within the subdivision and, therefore, the Commission finds that he has a special interest to protect.

The Commission, being otherwise sufficiently advised, HEREBY ORDERS that Carlie Bowmer's request for full intervention herein is granted.

Done at Frankfort, Kentucky, this 29th day of September, 2006.
